

Coastal Carolina University

Interest Sheet

Dear Friend of CCU Track & Field:

I hope that you have had a healthy and enjoyable summer. We are very excited about the upcoming track and field season and our athletes are already working hard in preparation for what we hope is another championship season. We, as head coaches, felt that the 2008 home meet schedule was highly successful, and that much of the credit for this success goes to the great job done by all of you, the Coastal Carolina Track and Field officials. Once again, we would like to thank you for your continued support and appreciate everything you do for our program.

We wanted to give you all sufficient notice of the home meet schedule for the 2009 season so that you can mark it on your calendar. This year we will be hosting four outdoor meets at Coastal Carolina. We value your contribution to the track and field program and hope that you will be able to officiate once again at our meets this spring.

Please check the date(s) that you can tentatively commit to officiate for the 2009 track and field season and mail or fax back the reply to the attention of Coach Connie or Coach Jacobs. Once again we look forward to your participation to make 2009 another great season for the Coastal Carolina Track and Field teams.

Sincerely,
Alan Connie
