New Officials Rules Review

Race Walk Judges and Race Walking Officials

2009-2012 Olympiad Edition

Instructions: Fill in the missing word(s) from the following rule statements taken from the *USA Track & Field 2008 Competition Rules*. Although some statements provide a contact reference (e.g., “[]”) or do not complete the entire sentence (as indicated by “...”), the statements are quotes drawn from the *USA Track & Field 2008 Competition Rules* in a sequential order. Please **PRINT** your answers on the **ANSWER SHEET** provided and return it to your Association Certification Chair for his/her review.

Purpose: This is not an exam. Rather, our goal is that every certified Race Walk Judge and Race Walk Official be familiar with and understand the current content and location of the rules applied to USATF Race Walk competitions. This review, a part of the Committee’s three-step training program (clinic, formal rules review and supervised practice), emphasizes those rules, which are basic to USA Track & Field Race Walk competitions. Effective Race Walk Judges and Race Walk Officials do not rely on memory alone in making decisions—when in doubt they look it up. Note this review is intended for Race Walk Judges and Race Walk Officials certification only. This is a supplemental review and you need to also complete the general Association T&F review to be certified.

Note: This is a 2009-2012 Olympiad Rules Review and requires the *USA Track & Field 2008 Competition Rules Book* to complete. The rulebook can also be found on line under USATF.org under Officials or usatfofficials.com under Rules.
